

The 130th Rescue Squadron at Moffett Federal Airfield, Mountain View, CA is interviewing non-rated pilot candidates for a MC-130 pilot position as a Traditional Guardsmen. The primary mission of the 130th RQS is Combat Search and Rescue (CSAR) which involves NVG low-level operations, helicopter air refueling, along with airdrops of Pararescue jumpers and their equipment. The unit participates in AEF rotations and does deploy overseas.

Non-Rated, Undergraduate Pilot Training (UPT) Prerequisites:

- Must be a U.S. citizen.
- Must have a Bachelor's degree (any subject) or graduating with a Bachelor's degree
- Be a member of (or previously a member of) the 129th RQW or another military unit prior to applying (*consideration may be given to non-prior service members depending on qualifications*).
- Must be under 30 years of age when beginning UPT (Under 28.5 years of age to meet the board)
- Must meet Air Force physical fitness standards
- Live within 150 miles of Moffett Federal Airfield or commit to relocate to this area and be able to support yourself financially in the Bay Area.

Please read **carefully**:
